

Hospitalitytv

welcome your guests to the future

In today's competitive hospitality market it is increasingly important to provide a dynamic and memorable experience which guests will not only want to repeat but also recommend. Samsung's range of high definition hospitality TVs combine powerful features with an elegant appearance, the perfect compliment to any interior space.

Quadriga is the strategic business partner to many of the world's leading hotels, providing a single complete solution, uniquely combining Internet, Entertainment and Branding and Promotion guest and hotel services. These are complemented by the latest flat screen displays and a range of products and services for meeting rooms and public areas, all underpinned by Quadriga's established partner, financing and service capabilities.

Welcome your guests to the future by delivering the best-in class in-room entertainment for today's guests.
